Key findings

- The Southern region leads with 32.45% of national value.
- Value is concentrated: the top 5 states hold 39.8% and the top 20% of districts hold 63.92%.
- Merchant payments grew from 14.89% to 24.84% of value; Recharge fell from 15.48% to 9.71%.
- Q4 runs 40.25% above Q1 - a clear festival-season effect.
- Insurance premium reached Rs 882 Cr since its 2020 launch, led by Maharashtra.
